

Assistant Clinical Coordinator - CJC

Job Description

Department: Children's Justice Center
Position: Career Service
Grade: 722
Supervisory: No
Reports to: varies

Summary

Under general guidance and direction of the assigned supervisor, assesses individual client needs, provides crisis intervention, facilitates the provision of appropriate services and referrals, and monitors the progress of individual child abuse victims. Coordinates client case management services.

Essential Functions

Reasonable accommodations may be made to enable individuals with disabilities to perform the essential functions.

1. Coordinate necessary clinical intervention to assist with the review, staffing, and treatment processes during the investigation of child abuse cases.
2. Coordinate involvement of law enforcement, protective services, county attorneys, medical and mental health treatment personnel, and other agencies with the alleged abuse victims and their families; facilitate the flow of information between agencies.
3. Assess the emotional state of the child and family; make recommendations for action to the multi-disciplinary team investigating the alleged abuse.
4. Provide direct crisis intervention services to alleged child abuse victims and non-offending family members on site and by telephone.
5. Gather information for the social assessment and services planning process of the multi-disciplinary team.
6. Provide individual and group mental health treatment referrals as needed for the alleged child victim and family.
7. Present criminal justice system information and education relative to child abuse issues to the child victim's non-offending parent or guardian.
8. Track treatment usage and intervention process outcomes.
9. Help establish a non-threatening environment for children and families; assist with implementing procedures to assist agencies with obtaining evidence useful for criminal prosecution and protective action in civil proceedings in a manner that does not further traumatize the child.
