

Carpenter III

Job Description

Department: Public Works
Position: Career Service
Grade: 723
Supervisory: No
Reports to: Carpentry Supervisor

Summary

Under limited supervision of the Carpentry Supervisor, performs and coordinates advanced master level work in the fields of carpentry, cabinetry, drywall, painting, modular furniture, concrete, steel framing, door and hardware installation, and general remodel work to Utah County owned or operated physical facilities. Maintains the County's lock, key, and access control systems. This advanced level requires considerable knowledge of County carpentry work. Incumbents in this classification perform the most complex duties within the function and are capable of training others in a broad array of carpentry activities.

Essential Functions

Reasonable accommodations may be made to enable individuals with disabilities to perform the essential functions.

1. Perform master level carpentry work on various County remodels and construction projects.
2. Perform master level cabinetry work and repairs for various County remodels and construction projects.
3. Perform master level drywall work including patching and painting of walls, doors, and furniture.
4. Perform professional door, door closers, exit devices, and various access control software and hardware installation to comply with Americans with Disability Act (ADA) and other regulations.
5. Perform skilled work in concrete forming, placement and finishing.
6. Perform all types of specialty millwork and design in relation to County construction projects.
7. Design and sketch cabinetry projects and provide cost estimates, as needed.
8. Design, purchase, build, install, and maintain all types of office furniture and related specialty modular office systems.
9. Design, apply, read, and interpret blueprints, submittals, sketches, schematic diagrams, and other plans for new construction, remodel, and furniture projects, throughout the county; use applicable programs such as AutoCAD and other types of programs for furniture design.
10. Coordinate, plan, oversee, and execute major remodels with project coordinator.
11. Assist with moving office furniture or other miscellaneous items during relocation for County departments.

12. Assist with determining proper contractors to address various projects or concerns assigned to the Carpentry Supervisor; contact contractors to schedule installation, repairs or construction projects, as needed; review agreements or contracts.
13. Ensure compliance of all state and local building codes, including projects meet ADA standards.
14. Acquire estimates for cabinetry, office furniture, and general remodel projects.
15. Transport essential equipment, materials, and various other items to the job sites, including pulling trailers and driving box trucks.
16. Perform locksmithing duties, including Interchangeable Core (IC) core pinning, combination, and the cutting of County keys.
17. Use of county work order system to receive and complete work orders following proper practice and policies.
18. Purchase necessary parts and materials to complete work orders, maintain an inventory of supplies, and complete the proper paperwork.
19. Collaborate with facilities management on budgeting and resource allocation for carpentry and construction projects.
20. Serve as a subject matter expert in all phases of carpentry, cabinetry and painting and provide training to other members of the team as necessary.
21. Respond to emergency situations on an on-call basis when assigned and as needed.
22. Assist other maintenance personnel in plumbing, HVAC, and electrical repairs.

Knowledge, Skills, and Abilities

- Considerable knowledge of the principles and practices in the fields of carpentry, cabinetry, millwork, countertops, drywall, modular furniture, concrete, steel framing, door and hardware installation, grid ceiling, tile, carpet, roofing, windows, glazing and general remodel work

- Ability to understand and follow safety procedures
- Ability to effectively navigate a dynamic workload with changing deadlines and priorities
- Ability to adhere to County and department standards of conduct
- Ability to provide technical guidance and train others, as needed

Supervisory Responsibility

This position has no direct supervisory responsibility but does serve as a lead to some and as a coach and mentor for other positions in the department.

Work Environment

This job operates in a professional office environment but is regularly performed for sustained periods outdoors and occasionally in hot, cold, or inclement weather. Work requires attendance, physical presence, and timeliness. This position exposes incumbent to conditions such as fumes, noxious odors, bodily fluids, dusts, mists, gases, poor ventilation, electrical hazards, and to possible bodily injury from moving mechanical parts of equipment, tools, or machinery. Incumbents may be exposed to hazardous chemicals, unknown, dangerous, and/or life-threatening conditions. This job requires the use of protective devices as per appropriate standards such as OSHA and other governing bodies. Duties may be performed at varying heights, up to seventy-five (75) feet. This role routinely uses standard office equipment such as a laptop, desktop, smartphone, photocopiers, shredders, and filing cabinets. The noise level in the work environment is usually loud. The incumbent is required to drive Utah County owned vehicles in the course of conducting County business and must abide by the Utah County Vehicle Policy.

Physical Demands

The physical demands described here are representative of those that must be met by an employee to successfully perform the essential functions of this job.

For Office Use Only

Job Code: 7009
 Job Title: Carpenter III

While performing the duties of this job, the employee is required to use a high degree of manual dexterity to handle, feel, and operate equipment, tools, and controls, and reach with hands and arms. This employee is frequently required to stand, talk, and hear, kneel, twist, climb, walk, and bend. Specific vision abilities by this job include close vision, ability to adjust focus, and ability to distinguish between shades of color and patterns. Occasionally, the employee will be required to work at various heights, on ladders, on various lifts, and in confined spaces. The employee is required to type, file, and lift office supplies and equipment up to one hundred (100) pounds. The employee regularly drives a motor vehicle.

Position Type/ Expected Hours of Work

Incumbent must work forty (40) hours each week to maintain full-time status. There may be availability to work out a flex schedule ahead of time that works for both the County and the employee. Occasional evening, weekend, and holiday work may be required as job duties demand to support operation and maintenance of physical facilities. Incumbent will be expected to be on-call on a rotational basis.

Travel

Travel is primarily local during the business day, although some out-of-area and overnight travel may be expected, up to five (5) percent.

Required Education and Experience

1. Associate degree or a Certificate of completion of an apprenticeship program in carpentry, construction trades or other related fields.
2. Five (5) years journey-level work experience in cabinetry, carpentry construction, repair, and remodeling.
3. Equivalent combinations of education and experience that include two (2) years of experience as a Utah County Carpenter II may also be considered.

Additional Eligibility Qualifications

1. Applicants must possess a valid driver's license and obtain a valid State of Utah driver's license within sixty (60) days of employment.
2. Selected applicants will be required to submit to a pre-employment drug screen and background check.
3. Selected Applicants who do not meet the education/apprenticeship requirement must pass a written and/or practical test with a score of 75 percent.
4. Selected applicants must obtain the following certification during the probationary period for new hires or trial period for promoted County employees and must maintain certifications during employment:
 - a. Forklift certification
 - b. CPR certification
 - c. Complete a defensive driving course
