

Chief Deputy – County Surveyor

Job Description

Department: Surveyor
Position: Appointed
Grade: 731
Supervisory: Yes
Reports to: County Surveyor

Summary

Under general guidance and direction of the elected County Surveyor, performs supervisory, administrative, and licensed surveyor work in conjunction with statutory surveyor functions. Incumbents serving in this classification are appointed by, and would take over and discharge the duties of, the elected County Surveyor in the event of his or her absence or disability.

Essential Functions

Reasonable accommodations may be made to enable individuals with disabilities to perform the essential functions.

1. Perform County surveying work as required by state statute and under the direction of the County Surveyor.
2. Supervise, plan, coordinate, and direct the work of the department. Make staffing decisions within the department including hiring, training, performance evaluation, scheduling of work load, and retention of assigned personnel.
3. Compile, maintain, and review all reports, daily work records, time cards, payroll information, work specifications, and appropriate personnel documentation within the department.
4. Oversee and correlate involvement with other County departments, volunteer groups and outside agencies.
5. Assist in the preparation of the department budget and monitor and approve purchase orders and expenditures.
6. Reduce raw conventional section survey data to publishable and presentable end for updating coordinate and elevation plat maps and tie sheets.
7. Perform GPS planning, editing, and processing of raw data to determine acceptability of data to be used and to fix positions of monumentation needing to be set.
8. Upgrade section coordinate and elevation information. Determine section ties and replace, raise, and lower monuments as appropriate.
9. Conduct preliminary surveys for design purposes and conduct surveys for and during actual construction of roads, bridges, debris basins, drainages, and flood control structures to determine outside boundaries, rights-of-way, offsets, and grade staking.
10. Perform surveys to define land parcels that are being used or occupied that may not currently be taxed.
