

Clinical Coordinator I - CJC

Job Description

Department: Children's Justice Center
Position: Career Service
Grade: 723
Supervisory: No
Reports to: Director - CJC

Summary

Under general supervision of the Director – Children's Justice Center (CJC) and direction of a Licensed Clinical Social Worker (LCSW), coordinates and facilitates investigation and intervention services for child abuse victims and their families and provides training for community professionals.

Essential Functions

Reasonable accommodations may be made to enable individuals with disabilities to perform the essential functions.

1. Provide direct clinical intervention and coordination to assist in the initial investigation, review, staffing, and treatment referral processes for child abuse victims.
2. Facilitate investigation of child abuse cases; provide initial assessment of child victim and family needs; maintain information and contacts for making specialized individual child abuse treatment referrals to community providers.
3. Coordinate involvement of law enforcement, protective services, county attorneys, medical and mental health treatment personnel, and other agencies with the alleged abuse victims and their families; provide emotional support to the child and family; provide information on investigation processes.
4. Assess the emotional state of the child and family and make recommendations for action to the Multidisciplinary Team investigating the alleged abuse.
5. Help to establish a non-threatening environment for children and families; assist in implementing procedures to assist agencies in obtaining evidence useful for criminal prosecution and protective action in civil proceedings in a manner that does not further traumatize a child.
6. Interact with local and state-wide Child Protective Services workers, law enforcement, county attorneys, treatment providers, and social service agencies to facilitate collaboration efforts.
7. Provide direct crisis intervention services to alleged child abuse victims and non-offending family members on-site or by telephone; assess the mental health and needs of the child and parents and make appropriate treatment recommendations.
