

Forensic Interviewer Technician

Job Description

Department: Children's Justice Center
Position: Career Service
Grade: 722
Supervisory: No
Reports to: Associate Director – Children's Justice Center or Clinical Supervisor

Summary

Under general direction of the Associate Director – Children's Justice Center or Clinical Supervisor and as a member of the Utah Valley Special Victims Task Force, performs professional work in conducting forensically sound investigative interviews and in assessing individual child victims. Prepares individual reports and evaluations and testifies in court as required.

Essential Functions

Reasonable accommodations may be made to enable individuals with disabilities to perform the essential functions.

1. Conduct individual child forensic interviews of alleged child abuse victims according to protocol, including extended interview protocol when necessary; identify and assess issues relating to language, cognitive ability, and emotional state.
2. Participate in the investigative staffing process; make recommendations regarding a child's safety and ability to testify by taking legal guidelines into account and using information gathered during forensic interviews, through collateral contacts, and by reviewing assessment results.
3. Ensure reports and other documents are delivered to courts and other parties in a timely manner and in a format approved by the Utah County Attorney's Office.
4. Create, maintain, and submit various records and documents including various administrative forms to ensure accurate data collection for statistical reports and other purposes.
5. Coordinate with local and state-wide law enforcement and social service agencies in order to facilitate collaboration efforts in behalf of alleged child victims.
6. May serve as a forensic interview specialist in court and interagency meetings; testify in court as an expert witness; provide information to judges and other criminal justice system and child protection personnel; communicate information to appropriate agency personnel to ensure follow through.
7. Maintain knowledge of current research regarding the field of child forensic interview techniques and assessments, Utah Valley Special Victims Task Force policies and procedures, the criminal justice system, and community resources through professional training, in-service training, seminars, workshops, and publications.
