

HVAC-R Mechanic II

Job Description

Department: Public Works
Position: Career Service
Grade: 723
Supervisory: No
Reports to: Maintenance Supervisor

Summary

Under general guidance and direction of the Maintenance Supervisor, performs advanced installations, repairs, and maintenance of heating, ventilation, air conditioning, and refrigeration (HVAC-R) systems in Utah County facilities, including boilers, chillers, and kitchen equipment.

Essential Functions

Reasonable accommodations may be made to enable individuals with disabilities to perform the essential functions.

1. Monitor conditions of various HVAC-R equipment; utilize the building automation system (BAS).
2. Coordinate and perform installation and servicing of computerized energy and temperature management equipment and control systems.
3. Assist with resolving complex temperature control issues; provide technical guidance to HVAC-R I and facilities team members.
4. Oversee the preventive maintenance schedule and conduct seasonal startups and servicing of various HVAC-R equipment, including but not limited to chillers, water towers, pumps, and heating equipment.
5. Inspect, repair, and replace HVAC-R systems, including ductwork, dampers, and air distribution equipment.
6. Inspect installations of new mechanical equipment and boilers.
7. Ensure safe and proper operation of boilers in compliance with insurance requirements; participate in annual inspections.
8. Perform combustion analysis on suspect burners to maximize energy efficiency.
9. Collaborate with contractors and vendors for specialized HVAC-R projects.
10. Analyze HVAC-R system performance and recommend improvements based on County standards.
11. Ensure compliance with safety standards and regulations.
12. Participate in ongoing training and professional development programs.
13. Oversee installation, troubleshooting, and repair of new and existing HVAC-R systems.
14. Fabricate and install sheet metal ductwork components, as needed.

Supervisory Responsibility

This position has no direct supervisory responsibility but does serve as a coach and mentor for other positions in the department.

Work Environment

This job operates in a professional office environment but is regularly performed for sustained periods outdoors and occasionally in hot, cold, or inclement weather. Work requires attendance, physical presence, and timeliness. This position exposes incumbent to conditions such as fumes, noxious odors, bodily fluids, dusts, mists, gases, poor ventilation, electrical hazards, and to possible bodily injury from moving mechanical parts of equipment, tools, or machinery. Incumbents may be exposed to hazardous chemicals, unknown, dangerous, and/or life-threatening conditions. This job requires the use of protective devices as per appropriate standards such as OSHA and other governing bodies. Duties may be performed at varying heights, up to seventy-five (75) feet. This role routinely uses standard office equipment such as a laptop, desktop, smartphone, photocopiers, shredders, and filing cabinets. The noise level in the work environment is usually loud. The incumbent is required to drive Utah County owned vehicles in the course of conducting County business and must abide by the Utah County Vehicle Policy.

Physical Demands

The physical demands described here are representative of those that must be met by an employee to successfully perform the essential functions of this job.

While performing the duties of this job, the employee is required to use a high degree of manual dexterity to handle, feel, and operate equipment, tools, and controls, and reach with hands and arms. This employee is frequently required to stand, talk, and hear, kneel, twist, climb, walk, and bend. Specific vision abilities by this job include close vision, ability to adjust focus, and ability to distinguish between shades of color and patterns. Occasionally, the employee will be required to work at various heights, on ladders, on various lifts, and in confined spaces. The employee is required to type, file, and lift office supplies and equipment up to one hundred (100) pounds. The employee regularly drives a motor vehicle.

Position Type / Expected Hours of Work

Incumbent must work forty (40) hours each week to maintain full-time status. There may be availability to work out a flex schedule ahead of time that works for both the County and the employee. Occasional evening, weekend, and holiday work may be required as job duties demand to support operation and maintenance of physical facilities. Incumbent will be expected to be on-call on a rotational basis.

Travel

Travel is primarily local during the business day, although some out-of-area and overnight travel may be expected, up to five (5) percent.

Required Education and Experience

1. Associate degree or apprenticeship program in HVAC-R.
2. Three (3) years of work experience in HVAC-R trades.
3. Equivalent combinations of education and HVAC-R trade experience may also be considered.

Additional Eligibility Qualifications

1. Applicants must possess Universal EPA Refrigerant Certification (EPA 608) and Utah State Natural Gas Certification.
2. Selected applicants must obtain the following certification during the probationary period for new hires or trial period for promoted County employees and must maintain certifications during employment:
 - a. Forklift certification
 - b. CPR certification
 - c. Complete a defensive driving course
 - d. Confined Space Training
 - e. Trench Safety Course
 - f. Niagara and/or Delta Building Control Certificate
 - g. HVAC Water Treatment class with six (6) months supervised water treatment of County equipment at satisfactory standardsCounty employees must possess the above certifications and licenses prior to moving into this classification through reassignment, transfer, or career ladder advancement. Selected applicants may be required to obtain additional certifications, as directed.
3. Applicants must possess a valid driver's license and obtain a valid State of Utah driver's license within sixty (60) days of employment.
4. Selected applicants will be required to submit to a pre-employment drug screen and background check.

Career Ladder Advancement

For career ladder advancement from a lower classification level of this series to a higher one, there must be funding in the budget and the employee must:

1. Possess the required licensure and certifications of the higher classification level.
2. Meet the education and experience requirements and the class characteristics of the higher classification level.
3. Receive written recommendation from the department head.
4. Receive approval from the Director – Human Resources.

AAP/EEO Statement

It is the policy of Utah County Government to assure equal employment opportunity to its employees and applicants for employment without regard to race, color, religion, national origin, disability, age, sex, sexual orientation, genetic status or gender identity.
