

Health Education Technician

Job Description

Department: Health
Position: Career Service
Grade: 720
Supervisory: No
Reports to: Program Manager – Prevention and Health Promotion

Summary

Under general guidance and direction of the Program Manager – Prevention and Health Promotion, assists, develops, designs, monitors, coordinates, evaluates, and administers health education and prevention activities in Utah County. Performs clerical, technical, and entry-level professional work.

Essential Functions

Reasonable accommodations may be made to enable individuals with disabilities to perform the essential functions.

1. Assess local health education needs; use surveys and other assessment tools; document and evaluate results and present findings to division and/or program administrators; develop comprehensive local health education plans based on identified needs.
2. Coordinate local, state, and national campaign promotions for Utah County residents; implement awareness campaigns, media relations, and other social marketing plans.
3. Design and implement health programs in accordance with comprehensive local health plans; teach about cardiovascular disease, cancer, injury control, environmental health, communicable diseases, diabetes, and other health topics.
4. Develop multimedia and Web 2.0 initiatives to support program efforts.
5. Evaluate the effectiveness and impact of health education related to assigned program(s); conduct process, impact, and outcome evaluations.
6. Disseminate general health education information for divisions of the County Health Department; assist in consulting with education divisions and/or assist in bringing together comprehensive prevention services throughout the county; assist with consultation services and networking with other agencies or groups.
7. Respond to public health emergencies as required by department or division administration.
8. Carry provided communications device or other emergency communications equipment at all times, both during work hours and when unavailable by phone.
9. Utilize Artificial Intelligence (AI) tools as directed by Utah County Policy and with approval from Department Head.

Supervisory Responsibility

This position has no direct supervisory responsibility.

Work Environment

This job operates primarily in a professional office environment, but work is occasionally performed for sustained periods outdoors including in hot, cold, or inclement weather. This role routinely uses standard office equipment such as laptops, desktops, smartphones, photocopiers, shredders, and filing cabinets. The noise level in the work environment is usually moderate. Work exposes the incumbent to high stress situations including contact with the public and others in confrontational, emotionally charged, or uncomfortable circumstances. The incumbent may be exposed to contagious or infectious diseases. The incumbent may be required to drive Utah County owned vehicles in the course of conducting County business and must abide by the Utah County Vehicle Policy.

Physical Demands

The physical demands described here are representative of those that must be met by an employee to successfully perform the essential functions of this job.

While performing the duties of this job, the employee is required to use manual dexterity to handle, feel, and operate objects, tools, and controls, and reach with hands and arms. The employee is frequently required to stand, talk, and listen. Specific vision abilities necessary for this job include close vision, ability to adjust focus, and ability to distinguish between shades of color and patterns. The employee is required to type, file, and lift supplies up to thirty (30) pounds. The employee regularly drives a motor vehicle.

Position Type / Expected Hours of Work

Incumbent must work forty (40) hours each week to maintain full-time status. The expected work hours are 8:00 am to 5:00 pm, Monday through Friday. Occasional evening and weekend work may be required as job duties demand.

Travel

Travel is primarily local during the business day, although some out-of-area and overnight travel may be expected, up to five (5) percent.

Required Education and Experience

1. Bachelor's degree in Community Health, Health Promotion, Public Health, or a related field.

Additional Eligibility Qualifications

1. Selected applicants shall be strongly encouraged to receive immunizations according to the Centers for Disease Control (CDC) and/or County Health Department Policy.
2. Applicants must possess a valid driver's license and obtain a valid State of Utah driver's license within sixty (60) days of employment.
3. Selected applicants will be required to submit to a pre-employment drug screen and background check.

Career Ladder Advancement

For career ladder advancement from a lower classification level of this series to a higher one, there must be funding in the budget and the employee must:

1. Possess the required licensure and certifications of the higher classification level.
2. Meet the education and experience requirements and the class characteristics of the higher classification level.
3. Receive written recommendation from the department head.
4. Receive approval from the Director – Human Resources.

AAP/EEO Statement

It is the policy of Utah County Government to assure equal employment opportunity to its employees and applicants for employment without regard to race, color, religion, national origin, disability, age, sex, sexual orientation, genetic status, or gender identity.

Other Duties

Please note this job description is not designed to cover or contain a comprehensive listing of activities, duties, or responsibilities that are required of the employee of this job. Duties, responsibilities, and activities may change at any time.

Utah County Government is a drug-free workplace.
