

Quality Control Analyst - Recorder

Job Description

Department: Recorder
Position: Career Service
Grade: 725
Supervisory: No
Reports to: Coordinating Manager – Recorder

Summary

Under general guidance and direction of the Coordinating Manager – Recorder, ensures reliability and accuracy of public records concerning legal descriptions, Geographic Information Systems (GIS) Base Parcel Map, and abstracting information of documents and tax identification parcel numbers for tax purposes. Inspects work of recording clerks and cadastral mappers. Conducts training and ensures ongoing accuracy and compliance through audits. Evaluates work processes and implements changes for improved efficiency.

Essential Functions

Reasonable accommodations may be made to enable individuals with disabilities to perform the essential functions.

1. Ensure reliability and accuracy of public records concerning legal descriptions, GIS Base Parcel Map, and abstracting information of documents and tax identification parcel numbers for tax purposes.
2. Conduct training in specialized duties that affect Utah County parcels, including document recording, document abstracting, legal descriptions, and ownership.
3. Coordinate and maintain a manual of standard operating procedures for team utilization including specific directions on entry, proofing, and abstract compliance.
4. Partner with division supervisors in the planning, scheduling, allocating, and prioritizing of workloads to meet operation requirements.
5. Monitor work process quality and ensure adherence to quantity standards.
6. Ensure recordings remain compliant with Utah State Code Annotated.
7. Monitor updates and maintenance of GIS Base Parcel Map for taxation.
8. Monitor use of GIS layers for abstracting purposes.
9. Evaluate work processes and recommend changes for improved efficiency; monitor and update department policies related to areas of oversight.
10. Research and respond to difficult or controversial situations involving various persons, groups, councils, officials, and the public; assist division supervisors with these functions.

routinely uses standard office equipment such as a laptop, desktop, smartphone, photocopiers, shredders, and filing cabinets. The noise level in the work environment is usually moderate.

Physical Demands

The physical demands described here are representative of those that must be met by an employee to successfully perform the essential functions of this job.

While performing the duties of this job, the employee is required to use manual dexterity to handle, feel, and operate objects, tools and controls, and reach with hands and arms. The employee is frequently required to stand, talk, and hear. Specific vision abilities by this job include close vision, ability to adjust focus, and ability to distinguish between shades of color and patterns. The employee is required to type, file, and lift supplies up to thirty (30) pounds. The employee occasionally drives a motor vehicle.

Position Type / Expected Hours of Work

Incumbent must work forty (40) hours each week to maintain full-time status. Typical work hours are 8:00 am to 5:00 pm Monday through Friday. Occasional evening and weekend work may be required as job duties demand.

Travel

Travel is primarily local during the business day, although some out-of-area and overnight travel may be expected, up to five (5) percent.

Required Education and Experience

1. Bachelor's degree in GIS, geography, civil engineering, or a related field.
2. Three (3) years of work experience related to legal, land title, recorded documents, or GIS.
3. Equivalent combinations of education and experience may also be considered.

Preferred Education and Experience

1. Preference may be given to applicants with experience using Geographical Information System applications.

Additional Eligibility Qualifications

1. Applicants must possess a valid driver's license and obtain a valid State of Utah driver's license within sixty (60) days of employment.
2. Selected applicants will be required to submit to a pre-employment drug screen and background check.
