

Real Property Data Manager

Job Description

Department: Assessor
Position: Career Service
Grade: 729
Supervisory: Supervisor
Reports to: Chief Deputy – County Assessor

Summary

Under general guidance and direction of the Chief Deputy – County Assessor, manages and evaluates collection and maintenance of property data. Ensures the accuracy, integrity, and accessibility of property to support timely completion of property valuations for the assessment roll.

Essential Functions

Reasonable accommodations may be made to enable individuals with disabilities to perform the essential functions.

1. Supervise, plan, coordinate, and direct the work and personnel of assigned functions; schedule workload and delegate assignments; oversee training and ensure work is completed accurately and efficiently.
2. Identify, evaluate, and resolve personnel concerns.
3. Evaluate performance and conduct performance appraisals.
4. Assist with staffing decisions related to the hiring and retention of assigned personnel and the administration of disciplinary action in accordance with County policy and procedure.
5. Ensure completeness and accuracy of data for all parcels and property-related records; implement data quality control measures and procedures; ensure timeliness of data collection; utilize geographic information systems (GIS) software and aerial imagery software, as needed.
6. Discover escaped properties and calculate values; enter values in computer assisted mass appraisal (CAMA) system.
7. Value building-only properties; utilize generally accepted appraisal methods.
8. Identify comparable selection criteria for property valuation.
9. Ensure compliance with mass appraisal requirements of the Uniform Standards of Professional Appraisal Practice (USPAP) and the International Association of Assessing Officers (IAAO); develop and conduct trainings for staff.
10. Defend established property values in local and state Board of Equalization hearings; review evidence provided by appellants and prepare evidence on behalf of the County.
11. Respond to questions and complaints from the general public and property owners regarding appraisals, appraisal methods, or assessments.

Supervisory Responsibility

This position has direct supervisory responsibility and does serve as a coach and mentor for other positions in the department.

Work Environment

Work is divided between an environmentally controlled office setting and field checks that are performed outdoors and occasionally in hot, cold, or inclement weather. Work exposes incumbent to possible bodily injury while conducting field work. Work occasionally exposes the incumbent to high-stress situations including contact with clients and/or the public in uncomfortable, confrontational, and emotionally charged circumstances. This role routinely uses standard office equipment such as a laptop, desktop, smartphone, photocopiers, shredders, and filing cabinets. The noise level in the work environment is usually moderate.

Physical Demands

The physical demands described here are representative of those that must be met by an employee to successfully perform the essential functions of this job.
